BEDS FOR KIDS APPLICATION FORM

ANKENY KIWANIS CHARITABLE FOUNDATION

The Ankeny Kiwanis Club and Ankeny Kiwanis Charitable Foundation are organizations made up of community members dedicated to serving the needs of children in our Ankeny community. The BEDS FOR KIDS program was created out of a growing awareness that some children in our Ankeny community do not have comfortable sleeping arrangements. There are Ankeny families who do not have the resources to provide adequate sleeping arrangements and we want to help with a new twin size bed and bedding to help create a better home environment for their child.

The BEDS FOR KIDS program is intended to serve children of families in need within the Ankeny School District. The application will be reviewed by a small committee of the Ankeny Kiwanis Club to determine eligibility; information will remain private; select information will only be used by those who will be in direct contact with you and your family in order to clarify your application and deliver the bed should you be selected to receive one.

If you have questions about the program contact Ankeny Kiwanis Club member:
